AGGIE SOCCER STADIUM

One of the finest playing surfaces in Northern California, Aggie Soccer Stadium has been the home to the UC Davis men's and women's soccer teams since 1985, and the Aggie women's lacrosse team since 1997. Built

with primarily volunteer time materials, Aggie Soccer Stadium is a product of the community's dedication to the sport of soccer.

The stadium bleachers, which have a capacity of 1,200 spectators, are the result of a 10-year project that reached completion in 1997. There are 65 nameplates affixed to the seat backs to recognize major stadium contributors. Additionally, an electronic scoreboard and high-fidelity sound system has been added to the facility.

Furthermore, new restrooms and concessions were added to the baseball/soccer complex during the 2001-02 year. In the summer of 2005, the field was resurfaced with a Bermuda hybrid and a new irrigation system was installed. Mark Lucas, who had previously worked at Cal, returned to UC Davis to supervise this project.

Aggie Soccer Stadium was among those facilities invited to submit invitations to become practice facilities for the 1994 World Cup.

Note: UC Davis will become an official member of the Big West Conference in 2007-08.

Dwayne Shaffer

In 2006, Dwayne Shaffer will begin his 10th season as the head coach of the UC Davis men's soccer program. With nearly two decades of collegiate coaching experience, Shaffer continues to be the guiding force for the Aggies through the reclassification period as he seeks to make UC Davis one of the most competitive teams in the West and one that will qualify for the Division I NCAA Tournament on an annual basis.

In nine years at UC Davis, Shaffer's teams have averaged double-digit wins each season and have compiled an overall record of 95-67-14 (.580). In the Aggies'

last six years in the California Collegiate Athletic Association, Shaffer guided the team to two first-place and four second-place finishes. In 1999, he led the Aggies to a school-record 16 victories and the school's first appearance in the NCAA Tournament quarterfinals in 23 years. That year, he was named CCAA Coach of the Year as well as the National Soccer Coaches Association of America (NSCAA) West Region Coach of the Year. The Aggies set a record in 1999 by going unbeaten in 13 consecutive games.

Prior to coming to UC Davis, Shaffer spent one season as the head coach at Dayton, which followed a three-year stint as assistant head coach at Clemson. While at Clemson, he helped guide the Tigers to a 47-18-3 record and two trips to the second round of the NCAA Division I Tournament. On two occasions, Clemson was ranked the No. 1 team in the nation. Prior to Clemson, he served four years as head coach at Santa Rosa Junior College where his teams won 52 games. His career coaching record stands at 154-92-25 (.614).

Shaffer's career has been one highlighted by recruiting and coaching some of the top student-athletes, both on and off the field. In his nine years at UC Davis, Shaffer has coached 21 student-athletes who have gone on to either attend graduate school or medical school. That number includes Matt DeJong, who received a NCAA Postgraduate Scholarship Award. DeJong also set the UC Davis career scoring record and was drafted by the MISL's Sacramento Knights, becoming the only rookie to

make the team that year. Four years later, Ryan Shaw eclipsed DeJong's mark and was subsequently drafted by the Los Angeles Galaxy of the MLS. He also played in several MLS development games in 2005. Shaw was named UC Davis' 2004-05 Male Athlete of the Year.

While at Dayton, Shaffer recruited Mark Schulte, who went on to play Major League Soccer. In addition, four others were drafted by the A-League.

At Clemson, Shaffer helped recruit and coach a total of nine players who would go on to play in MLS. He also helped coach the nation's leading scorer in 1993 and 1994. At UC Davis, 10 Aggies have garnered first-team All-Conference honors under Shaffer while 14 have been named NSCAA All-Region. One former Aggie, Sean Buchanan, received All-America honors.

Shaffer coached two All-Americans in his four-year stint at Santa Rosa JC. He also coached the leading scorer in the state as well as the most valuable player of the Northern California region.

Shaffer's standout collegiate playing career, which featured a .795 winning percentage, began at Santa Rosa JC where he was named all-conference and led the team to a two-year record of 39-7-2 and a pair of conference championships. As a sophomore, Shaffer played central defender on a unit that allowed just seven goals in 24 games, including 13 consecutive shutouts. Following Santa Rosa, he went on to play two seasons at Chico State and helped lead the Wildcats to a 29-9-2 record and an NCAA Tournament appearance during his junior season.

He has also served as a Region IV Olympic Development Program staff member.

Shaffer earned his bachelor's degree and his master's in physical education with a teaching/coaching emphasis from Chico State. He enjoys watching and supporting Major League Soccer. Shaffer and his wife, Lara, have two daughters; Shay (6) and Skye (5).

Felipe Restrepo

Restrepo begins his sixth season as an assistant coach with the Aggies with primary duties of training, team management and recruiting. Restrepo also worked closely with the goalkeepers during his first three seasons.

In addition to his duties with UC Davis, Restrepo works in the local youth soccer system with the Davis Gunners. In 2004, he was a Region IV Olympic Development Program staff member, working with the 1988 boys age group. Restrepo also served as an assistant coach for the Davis High School girls team, which captured the Monticello Empire League title last season. He holds a

United States Soccer Federation national "A" coaching license.

In his first season with the Aggies, he helped guide the program to the California Collegiate Athletic Association North Division title in 2001 and a berth in the championship match of the CCAA tournament. The Aggies finished 13-7-1 that season with a No. 22 national ranking. In 2002, he helped lead the team to a 13-5-2 record and a No. 3 regional ranking before posting a 10-5-2 record in 2003.

Restrepo also worked closely with former Aggie standout Nic Platter, who is currently a member of the United Soccer League's Minnesota Thunder. Platter finished his UC Davis career in 2003 as the all-time leader in shutouts (17) and saves (195).

Prior to arriving at UC Davis, Restrepo spent three years as an assistant coach at Cal State Monterey Bay while completing his master's degree in education. He also served as the boys' head coach at York HS in Monterey, where he earned 1999-2000 Coach of the Year honors.

Restrepo was a four-year letterwinner at UC Davis from his midfielder position. He started 52 of his final 55 games and was a second-team All-Northern California Athletic Conference performer as a junior. He has been a member of the state and regional ODP teams as a player. In 1999, he attended the U.S. Soccer Festival with U-23 Region IV ODP team.

A 1998 graduate of UC Davis, Restrepo has a bachelor's degree in human development, a master's in education and is currently in the doctoral program at UC Davis in educational psychology. In 2002, he married another former Aggie soccer player, Mandi Berman.

Jason Hotaling

In joining the UC Davis soccer staff in 2005, Jason Hotaling reunited with his former coach, Dwayne Shaffer. He played for Shaffer at Santa Rosa Junior College in 1991 and 1992 before concluding his career at Chico State. Hotaling enters his second season at UC Davis.

Hotaling arrived to the Aggie program from College of Marin, where he served as goalkeepers coach in 2004. He also assisted with district and state ODP programs during his previous two years.

After his collegiate career, Hotaling was a member of the Chico Rooks of the Premier Development League. He then returned to his

hometown of Rohnert Park, Calif., where he finished his undergraduate degree at Sonoma State. Hotaling majored in speech communication with a minor in English.

Five to Go

Sporting a career Aggie mark of 95-67-14, Dwayne Shaffer needs just five more victories to become the second UC Davis men's soccer coach to amass 100 wins. Cal Aggie Athletics Hall of Fame inductee Will Lotter compiled a partial record of 137-105-31 in 16 seasons. His exact win-loss figure is unknown, however, as UC Davis Athletics has no final record for the 1972, 1982 or 1984 seasons.

Listed below are the UC Davis career coaching records since Bill LaQuard revived the program from a three-year hiatus in 1965. Prior to LaQuard, the team was coached by one of its players.

Coach (Years)	Record	Pct.
Dwayne Shaffer (1997-Present)	95-67-14	.579
Simon Davies (1991-96)	72-54-10	.566
Jesus Rico (1988-89)	16-17-5	.487
Will Lotter (1972-87)	137-105-31*	.559
Ray Gutierrez (1970-71)	15-7-1	.674

The 1976 Aggie team was the first to win an NCAA postseason game, edging Cal State Hayward by a 1-0 final in first-round action. Head coach Will Lotter and two players of that team – Don Briggs and Rolf Benirschke – are enshrined in the Cal Aggie Athletics Hall of Fame.

Few former players have left a mark on the UC Davis soccer program like Alan Moll, who lettered for the Aggies in 1972-74. In the 1980s, he and former coach Will Lotter spearheaded a massive volunteer effort to construct what is now Aggie Soccer Stadium. Both Lotter and Moll were subsequently recognize when they won the Cal Aggie Athletics Hall of Fame Special Recognition Award, presented for outstanding volunteer contributions.

ACADEMICS

UC Davis comprises three colleges (Agricultural & Environmental Sciences, Engineering, Letters & Science), five professional schools (Education, Law, Management, Medicine, Veterinary Medicine) plus the Division of Biological Sciences.

With 103 undergraduate majors and 80 graduate programs, the university offers the most expansive and diverse range of academics among any of the University of California campuses. Additionally, students also have the opportunity to combine majors or customize their field of study by creating an individual major.

For those interested in graduate degrees – whether it be a master's degree or a doctorate – UC Davis offers advising services to help students craft their education toward those goals. An estimated 86 percent of UC Davis students applying to graduate schools earn acceptance to either their first or second choices.

RANKINGS

UC Davis ranks 14th among public universities, according to *U.S. News & World Report*, and 16th by the National Research Council. Furthermore, the National Science Foundation places the university 12th in the nation in research funding, and *Money* magazine considered UC Davis as one of the West's top "best buys".

Additionally, the Gourman Report rated the genetics department at No. 1, while *U.S. News & World Report* ranked the College of Engineering as No. 13 among its peers.

COMMUNITY

With a population of approximately 60 thousand, Davis is widely known for being a safe, active and socially innovative community.

The downtown area boasts a multitude of specialty shops, restaurants, theaters and art galleries; while the city's numerous parks offer recreational opportunities for active students.

ACTIVITIES

On campus, UC Davis students can rally around the highly successful athletics department by joining the Aggie Pack spirit organization, or enjoy a first-class performance at the Robert & Magrit Mondavi Center for the Performing Arts.

The university also offers hundreds of student clubs and organizations, including cultural clubs, fraternities and sororities, faith-based organizations and the Associated Students of UC Davis student government.

For the active Aggie, students may participate in the diverse intramural sports program or join one of the 30-plus sports clubs. In 2004, the Activities & Recreation Center (ARC) opened its doors, providing the campus with its own state-of-the-art fitness venue.

In April, UC Davis hosts Picnic Day, an annual student-run open house. The popular event showcases all that the campus has to offer, attracting students, staff, faculty, parents, alumni and members of the surrounding communities.

GETTING AROUND

Nestled just southwest of Sacramento, the city of Davis rests just 15 minutes from an international airport, and contains a downtown station serviced by Greyhound and Amtrak. Centrally located in the Sacramento Valley, the town sits equally close to both the finest ski resorts and the Pacific Ocean's top beaches.

Within Davis and its neighboring towns, both Yolo-bus and the student-operated Unitrans bus systems offer free transportation to registered undergraduates.

The town boasts more bicycles per capita than any other city in the nation. More than 50 miles of bike paths make the entire town conducive to both riders and pedestrians.

CAMPUS LEADERSHIP

LARRY VANDERHOEF

Larry N. Vanderhoef was appointed chancellor of the University of California, Davis, in April 1994. He joined the campus in 1984 as executive vice chancellor and provost.

During his 10-plus years as chancellor, the campus was invited to membership in the AAU; increased its extramural awards from \$169.1 million to \$420.7 million annually, earning a National Science Foundation (NSF) research funding ranking of 14th in the U.S.; expanded classroom, lab, clinical and office space by 2 million square feet, with 1 million more to be built over the next five years; completed the transformation of an ailing county hospital to an academically distinguished and financially sound regional medical center; and made distinctive strides in recruiting a diverse and accomplished faculty and student body.

Chancellor Vanderhoef was recently honored by the *Sacramento Business Journal* as one of the 20 people who have contributed most substantially to California's capital region over the past 20 years and by the Sacramento Metropolitan Chamber of Commerce as Sacramentoan of the Year.

In 2004 he led a UC Davis delegation to Iran in an effort to promote dialogue and scholar exchange, and to promote generally the notion of crossing boundaries to build greater understanding and good will - a continuing personal and professional effort.

His research interests lie in the general area of plant growth and development, and in the evolution of the land-grant universities. He has taught classes from freshman level to advanced graduate study.

Chancellor Vanderhoef has served on

UC Davis Chancellor

various national commissions addressing graduate and international education, the role of a modern land-grant university and accrediting issues.

He holds B.S. and M.S. degrees in biology from the University of Wisconsin, Milwaukee, and a Ph.D. in plant biochemistry from Purdue University. Previously, he held faculty positions at the University of Illinois, where he also served as a department head, and at the University of Maryland, College Park, where he was appointed provost. He was awarded honorary doctoral degrees by Purdue University and by Inje University in Korea.

VIRGINIA HINSHAW

Virginia S. Hinshaw, Ph.D. serves as the Provost and Executive Vice Chancellor of UC Davis. In that capacity, she is the campus's chief academic and financial officer and acts for the Chancellor in his absence. Hinshaw's responsibilities include oversight of the campus's \$2.2 billion budget and overall responsibility for the UC Davis Health System; campus operations, including resource management, planning and policy development; and strategic leadership in planning, coordinating and implementing academic direction and programs. Prior to joining UC Davis in 2001, she served as the Dean of the Graduate School and Vice Chancellor for Research at the

University of Wisconsin, Madison.

In addition to her administrative duties, Hinshaw maintains a joint appointment in two academic departments as a Professor of Virology in the Department of Internal Medicine, School of Medicine, and in the Department of Pathology, Microbiology and Immunology, School of Veterinary Medicine at UC Davis. For over 25 years she has conducted research on viruses, primarily influenza, at different hospitals and universities, including Medical College of Virginia, University of California Berkeley, St. Jude Children's Research Hospital, Harvard Medical School, and the University of Wisconsin Madison. Hinshaw's

UC Davis Provost and Executive Vice Chancellor

research has increased our understanding of various aspects of influenza viruses, such as important hosts in nature, transmission among humans, lower mammals and birds, genetic changes related to disease severity, the molecular basis of cell killing, and new approaches to vaccines. Her innovative and energetic teaching style, combined with her continual advocacy for research and education, has earned her national recognition and acclaim.

JUDY SAKAKI

Judy Sakaki assumed her position as Vice Chancellor of the Division of Student Affairs in July 2002. Dr. Sakaki oversees programs and services that enhance the academic and personal development of students, including intercollegiate athletics.

Sakaki received her bachelor's and master's degrees from California State University, Hayward, in 1975 and 1977, respectively, and a Ph.D. from UC Berkeley in 1991. In 1994-95 she was an Executive Fellow in the

Executive Leadership Development Program and the California State University. She also served as an American Council on Education Fellow during that period.

In 1995 she joined California State University, Fresno, as dean of Student Affairs, and in 1997 was appointed vice president for Student Affairs and dean of students.

Sakaki brought substantial experience with diverse student populations to the campus as well as an impressive ability to

UC Davis Vice Chancellor, Student Affairs

forge links between student services and academic programs. UC Davis students, and the campus community, benefit significantly from her expertise, insights, and passion for providing an optimal learning environment.

UC DAVIS ATHLETICS

GREG WARZECKA

Director of Athletics

On August 1, 1995, Greg Warzecka became the 11th director of athletics at UC Davis. In the decade-plus since, the Aggie athletics program has enjoyed unprecedented success under his guidance.

Warzecka's penchant for progress began from his first year as director when he was charged with the task of fully engaging the campus in discussions regarding whether or not UC Davis would offer athletics-related financial aid. One year later, the campus announced the launch of its first-ever grant-in-aid program.

Warzecka has also overseen UC Davis' transition into two conferences in his short tenure. In 1998, the Aggies moved from the now-defunct Northern California Athletic Conference to the powerful California Collegiate Athletic Association. Then in 2003, the UC Davis program announced that it would join the Big West Conference and thus reclassify from NCAA Division II to Division I status.

During Warzecka's tenure, UC Davis captured six

NACDA Division II Directors' Cups as the most outstanding overall program in the country. For his part, NACDA selected Warzecka as its A.D. of the year for the D-II West Region in 2001-02.

Furthermore, the editors of *Sports Illustrated* magazine lauded the Aggie program on three different occasions. In 1999 and 2000, *Sports Illustrated For Women* named UC Davis as the top Division II school for women athletics. One year later, *SI* selected UC Davis as its top D-II school for the 2001-02 year.

Before turning to administration, Warzecka had been a successful baseball coach, first as an assistant at his alma mater, UC Berkeley. He then served as head coach at San Francisco State, then at the University of Chicago, where he also served his first post as men's athletics director. Warzecka returned to California in 1989 to become the A.D. at the University of Redlands, where he remained until he joined the Aggie athletics staff.

SERVING THE UC DAVIS STUDENT-ATHLETE

STUDENT-ATHLETE GUIDANCE SERVICES

204/208 Hickey Gym • (530) 752-3259

UC Davis ranks among the leaders in NCAA Postgraduate Scholarship Awards and Academic All-District/America honorees, and has claimed a record three winners of the NCAA Woman of the Year Award. Student-Athlete Guidance Services deserves much of the credit for these accomplishments.

The SAGS office started in 1988 with a single staff member serving as a centralized resource for academic advising, eligibility information and campus referrals. The office has since expanded to include additional academic advisors, an athletic aid coordinator, an assistant eligibility coordinator and an administrative assistant. It is headed by Pam Gill-Fisher, senior associate director of athletics.

The SAGS office provides a range of services to student-athletes on all 26 intercollegiate athletics teams, including assistance with course and major selection as well as interpretation and clarification of eligibility rules and issues.

UC Davis student-athletes typically have a minimum of three academic advisors: an athletic academic

advisor assigned by sport, a college advisor, and a major advisor (if the student has a declared major). Although appointments with the athletic academic advisors are not mandatory at UC Davis, student-athletes might choose to see their athletic academic advisor for issues including:

- Balancing academic and athletic expectations
- General education (GE) requirements
- Dropping/adding courses
- Time management/study skills
- Assistance completing the mandatory Academic Plan Form
- Study hall for student-athletes
- Personal issues that affect academic performance
- Choosing a major/career
- Declaring or changing a major
- Campus resources
- Exploration of opportunities beyond athletics
- Preparation for graduate programs
- Preparation and application for NCAA Postgraduate Scholarships and other national awards

ATHLETIC TRAINING / SPORTS MEDICINE

Dick Lewis Training Room (115 Hickey Gym) • (530) 752-0647
The Pavilion Training Room • (530) 752-7515

Known collectively as “The Healer of Champions”, the UC Davis athletic training staff comprises five full-time certified athletic trainers, a full-time physical therapist/certified athletic trainer and approximately 24 student athletic trainers. Together, they are responsible for providing medical care to the 800-plus student-athletes that compose UC Davis’ 26 varsity teams.

The student athletic trainers serve two to three years with the program, logging in more than 1,500

hours and gaining valuable clinical education in a hands-on environment. The internship is ideal for any student interested in a graduate program in athletic training, as well as any medical or allied medical profession.

The ARC Pavilion training room contains extensive resources and equipment for the rehabilitation of injured athletes. The staff physical therapist is headquartered there as well.

HOME OF THE AGGIES

The palatial Activities & Recreation Center (ARC) opened its doors during the spring of 2004, offering a wide array of fitness areas, including full-size basketball courts, a multi-use activity center for indoor soccer or hockey, a running/jogging track, weight rooms, aerobics facilities, squash and racquetball courts and a rock-climbing wall.

Additional amenities include a wellness center, student lounges and opportunities for conferences and special events.

ACTIVITIES & RECREATION CENTER

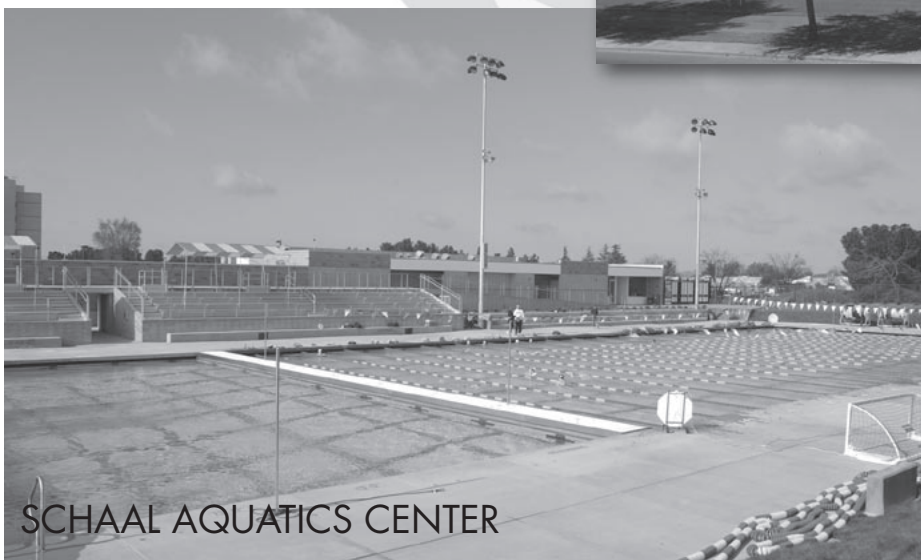

THE PAVILION

The ARC adjoins the Pavilion (left), formerly known as Recreation Hall, the home venue for UC Davis basketball, volleyball, wrestling and gymnastics, as well as concerts and special events. With a seating capacity of nearly 8,000, the Pavilion ranks as one of the largest on-campus arenas in Northern California.

Recognized in 1999 as "Softball Field of the Year" by the Sports Turf Managers Association, La Rue Field hosted five NCAA West Region Softball Championships in the past decade. Recent additions include batting cages, covered dugouts and improved press areas.

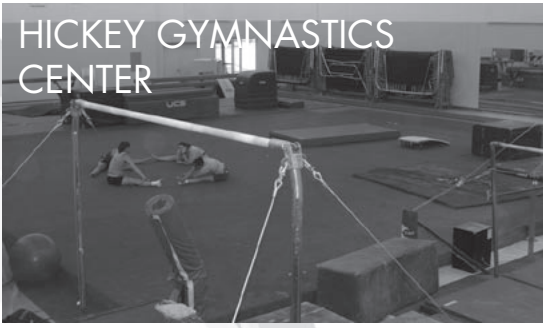

LA RUE FIELD

SCHAAL AQUATICS CENTER

In January of 2004, the Ted & Rand Schaal Aquatics Center hosted its first event. The complex features an Olympic-sized pool, locker rooms, team rooms, office space and permanent seating for approximately 500 spectators. The aquatics center will allow UC Davis to host championship events, such as this year's Western Water Polo Association championships.

HICKEY GYMNASTICS CENTER

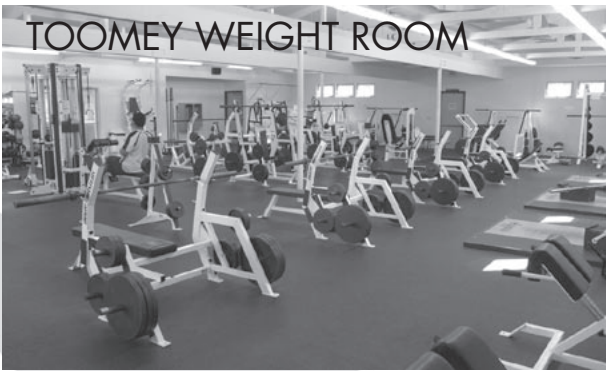

The former Lower Hickey Gym, the first home of women's athletics in the post-Title IX era, was converted to a first-class practice facility for the Aggie gymnastics team in 2005.

AGGIE SOCCER STADIUM

Both Aggie Stadium (left), the home of soccer, and the James & Ann Dobbins Baseball Complex (below) were the result of volunteer efforts dating back to the mid-1980s.

TOOMEY WEIGHT ROOM

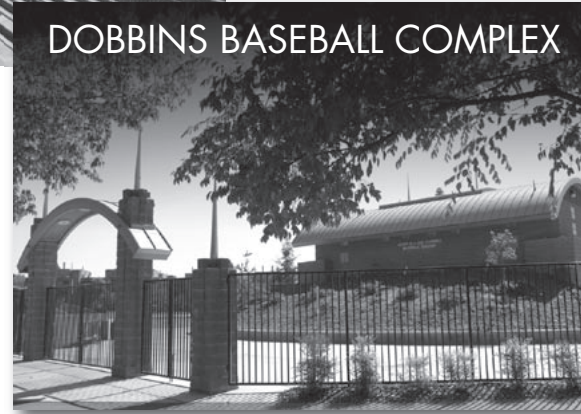

UC Davis student-athletes welcomed the expanded weight room, located inside Toomey Field. In addition to nearly tripling in size the previous facility, the upgrade also included all new equipment, restrooms and office space. In June 2005, former Olympian Andy Bloom was named as the program's first full-time strength and conditioning coach.

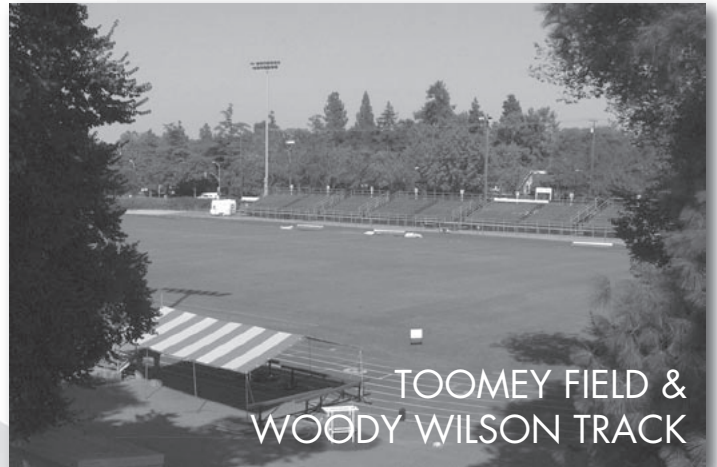

Built in the 1950s, Toomey Field has hosted numerous championship events for football, track & field and lacrosse. During the 2000 Olympic Trials, standouts Marion Jones and Michael Johnson used the Woody Wilson Track as a practice facility.

Dobbins boasts one of the finest playing services in Northern California. In 2002, the stadium was enhanced to include a press box, a renovated entrance and permanent concession/restroom facilities.

DOBBINS BASEBALL COMPLEX

TOOMEY FIELD & WOODY WILSON TRACK

FUTURE GAMES

UC Davis Athletics will see the continued upgrading and/or construction of two first-class athletics facilities. The Marya Welch Tennis Center (left), an addition to the existing Hickey Tennis Courts, began construction in 2004. Long-term plans for the tennis venue include grandstand seating with restroom/concessions. Its first phase was dedicated in April 2005.

Aggie football and women's lacrosse will move to a multi-purpose stadium, located adjacent to the Schaal Aquatics Center, as early as the 2006-07 academic year. Initial concept designs call for seating of 10,000 to 15,000 spectators, with an eventual build-out to as many as 30,000.

Note: each drawing represents a concept for full build-out. Designs are subject to change.

TRANSITION TO DIVISION I

On March 11, 2003, UC Davis made a landmark move in its storied intercollegiate athletics history when Chancellor Larry Vanderhoef announced that the university would reclassify from NCAA Division II to NCAA Division I status and join the Big West Conference. The announcement came after much

discussion by campus administrators, faculty, staff, students, alumni and local community.

Additionally, UC Davis undergraduate students passed the Campus Expansion Initiative, which will help fund the Aggies' growing athletics grant-in-aid program.

UC Davis, which began its four-year transition to Division I in the fall of 2003, will start some competition in the Big West in 2004-05 and is scheduled for full Division I

membership in 2007-08.

UC Davis will compete in the Big West Conference in baseball, men's and women's basketball, men's and women's cross country, men's and women's golf, men's and women's soccer, softball, men's and women's swimming & diving, men's and women's tennis, men's and women's track & field and women's volleyball.

Football is a charter member of the Great West Football Conference, women's rowing is a member of the Western Independent Rowing Association, men's and women's water polo will remain in the Western Water Polo Association and women's lacrosse will continue play in the Mountain Pacific Sports Federation.

Women's gymnastics and men's wrestling – already classified as Division I programs – will continue their participation in the MPSF and Pacific-10 Conference, respectively.

DIVISION I TIMELINE

Good News
The light at the end of the tunnel brightened when the NCAA Division I Board of Directors approved legislation which will make the Aggies eligible to win automatic berths to NCAA Championships beginning with their first active year of Division I membership in 2007-08. The Big West Conference-sponsored NCAA 2003-13 passed in August of 2004.

Under previous legislation, the Aggies would have been ineligible to win any automatic berth awarded to the Big West Conference until 2009-10. For men's basketball, the wait was eight years, meaning the Aggies would not be able to win an automatic berth until 2015-16.
